RULES OF THE COMPETITION

GENERAL

1. All classes open to Jack Russell Terriers only, unless otherwise noted. Colored terriers have specific classes where noted.
2. Jack Russell entries must be within the 10-15" height standard (with the exception of pups that have not yet met the 10" height standard); measuring devices will be available on the trial grounds. Height cards will be honored. Sizes: over 10" up to 12 ½", over 12 ½" up to 15".
3. Puppies (under 12 months of age) are not eligible for championships in any division but their own.
4. **Un-sportsman-like conduct will not be tolerated.** Anyone demonstrating such behavior will be asked to leave the trial sight and no entry fees will be refunded.
5. Chairman reserves the right to combine classes in the event of low entries.
6. **THE JUDGE'S DECISIONS ARE FINAL IN ALL DIVISIONS.**

GO-TO-GROUND and SUPER EARTH

1. **Schooling prior to the competition is not permitted.** Any violation of this rule shall result in disqualification of the schooling dog from go-to-ground competition at this trial. No entry fees will be refunded.
2. A line approximately two feet from the entrance hole will be designated as the starting line. Time starts when the dog is released. The dog is to be released so that all four of the dog's feet are on the ground before crossing the starting line. Any violation of this rule, accidental or intentional, shall result in disqualification of the dog from the class in which the violation occurs. No entry fees will be refunded. The electronic timer will be used when available.
3. After the dog is released, the handler shall remain next to the entrance hole. Commands and encouragement may be given throughout the trial.
4. **Dogs, which have previously passed in the Novice or Open class at any other trial, may not, under any circumstances, compete in these classes.**

5. Terriers that passed in the open division at this trial may not move on to the championship class at this trial; **EXCEPT PUPPIES.**
6. GTG Championship is open to any terrier that has passed in an open class at any event prior to this trial, or any terrier holding a GTG Certificate or Title from any recognized organization, or a terrier that has been successfully hunted to American quarry

RACING

1. **All terriers including puppies must be muzzled.** Basket muzzles are suggested. No figure eight or open muzzles will be allowed.
2. Any dog entering the catch area without a secured muzzle will be disqualified.
3. Exhibitors must have dogs ready to race, be aware of their classes, and be ready when called. In the event a heat is missed permission to run in a later heat, if room, is granted at the discretion of the racing staff. No refunds for missed classes.
4. Once entries are loaded into the starting gate, all handlers must proceed to the finish line and be ready to receive their dog.
5. In a hurdle race, any entry going around the jumps must be disqualified.
6. If a brush or lure is caught, the race will be rerun.
7. Entries must cross the finish line completely to place in a race; the finish line is the backside of the barrier. **First to the hole is not necessarily first through the hole.**
8. Racing champions are determined by a run-off of the first place winners in each class in each division.
9. Dogs must race in flats and hurdles to advance to the championship race.
