Practice Days

Racing, Go-To-Ground and Brush Hunt practice is occasionally held on weekends at Glen & Shelley Holland's in Lady Lake FL, at Ray and Sharon Higgs' or Zoe Blair's near Tallahassee FL and near Justin Caynor's in Tampa FL.

Generally, a Practice Day is scheduled the weekend before a club trial. However, sometimes other Practice Days are scheduled based on the level of interest at any given time. Dates are based on the availability of those hosting and running the event.

When specific dates are planned they will be included in the schedule below. But feel free to contact these folks at any time to see if something might be planned ad hoc-- at the last minute.
