## Investing in SSJRTC!

You may recall that your club purchased some **new equipment** this spring-- infrared laser timers for Super Earth and Thunder Tunnel. We also purchased a new PA system so as not to have to share one between several events. Hopefully, you had the chance to enjoy them at Sunshine Showdown!

**Well, the re-investment continues!** At the recent board meeting, it was approved to purchase new tires for the club trailers, refurbish the 30' GTG tunnel, racing jumps and start box. We will also be looking into refurbishing the 'cash cow' Thunder Tunnel in 2011.

VP Rick Bailey is spearheading these equipment improvements with the assistance of other members so be sure to thank Rick and his team the next time you see them!

The ability to reinvest in the club like this is due to *your* support of the club with your attendance and labor, the strong attendance at recent trials and your support of fund-raising events such as the Wellington and State Fair racing exhibitions and Terrier Day.

All this and we are *still* in good financial condition for our upcoming Russell Mania trials! **Congrats SSJRTC for keeping your club strong!**

The club would like to extend a special Thank You to Glen & Shelley Holland for the use of their home for the recent BOD meeting and for the Linda Trulock event.

Shelley is to be commended for a great BOD lunch. Glen and Shelley for the pre-meeting racing practice and for allowing us to dirty-up their swimming pool!

We appreciate your steady support! :)
